

**In terms of applying for M146 via UCL, applicants are required to:**

1. **Apply via UCAS between 1 September and 15 January.** Full details about how to apply can be found on the UCAS website at: [www.ucas.com](http://www.ucas.com). The UCAS cycle does stay open to 30 June every year but we cannot guarantee that we will consider candidates who apply after the 15 Jan deadline and all candidates (whether UK, EU or overseas) are therefore **STRONGLY** advised to apply by 15 Jan at the latest.
2. Take the National Admissions Test for Law (LNAT) between 1 September and 20 January (final registration = 15 January). Full details about how to apply for and sit the test can be found online at: [www.lnat.ac.uk](http://www.lnat.ac.uk). Again, the LNAT does stay open until 30 June every year but we cannot guarantee that we will consider the applications of candidates who take the test after the 20 Jan deadline, even if their original UCAS application was submitted 'on-time' by 15 January, and all candidates are therefore **STRONGLY** advised to take the test by 20 Jan at the latest.
3. Our Admissions Tutors will be able to make some decisions on M146 candidates based on the UCAS application and LNAT performance alone. The majority of M146 applicants to whom we are considering making an offer of a place will be invited to attend interview, however. This will either be conducted in person if the applicant lives in the UK, or over the telephone if they live outside of the UK.

In terms of our entry requirements, all M146 applicants should:

1. Meet our standard entry requirements. These can be found on our website at: <http://www.ucl.ac.uk/laws/prospective/undergraduate/index.shtml?entry>.
  - a. For A level students, we require grades AAA at A level plus a pass in a fourth subject at AS level.
  - b. For the **German Abitur**, we require **1.3 overall, plus 12 in English when taken as a major/intensive subject** (or alternatively an acceptable English language qualification achieved at the specified level. Details of acceptable qualifications are available at: <http://www.ucl.ac.uk/prospective-students/undergraduate/apply/entry-requirements/english-language>. Applicants to our LLB programmes are required to achieve the grades indicated under 'Advanced Level' for each qualification).
2. Be completely fluent in German (ie. bilingual in English and German).
